To all exhibitors,

This communication is to confirm what you have already received.

The Hills Model Railway Society wish to advise that the Model Railway Exhibition Planned for the weekend 2nd and 3rd May, 2020 to be held at Blacktown Leisure Centre, Stanhope Gardens has been postponed until the 1st and 2nd of May, 2021.

This decision has not been taken lightly but as we have a number of intrastate and interstate exhibitors who will be staying overnight in Sydney a decision needed to be made quickly. The current situation we all find ourselves in needs to be taken seriously and based on the precedents set by other sporting and public groups left us with no alternative.

We hope you will understand the reasons behind the decision and will not be put off applying in the future.

This decision was made at meeting of club members and the exhibition committee. We need to ensure a safe environment for you, the public, club members and the venue staff. As we could not guarantee this we have been left with no alternative.

If you have any questions please do not hesitate to contact the club Secretary or President.

Grant Harris,
Secretary,
Hills Model Railway Society Inc.
